

ORDERS

in Via Bonomea

- 1) the introduction of an additional exemption to the restriction of traffic descending Via Bonomea, which is in force between the traffic light placed 40 metres after street no. 186 and up to the end of the narrow passage after the railway bridge (ordinance prot. 97-9292/8/94/38 dated 26.3.1997, and as subsequently modified and integrated) in favour of members of SISSA in possession of an identifying badge and regulated as follows:
 - permanent personnel: badge with SISSA's name and logo, photograph, name and place/ date of birth;
 - temporary personnel: badge with SISSA's name and logo, and "visitor/temporaneo";
 - at the end of both temporary and permanent contracts the badge must be withdrawn by SISSA;

On request of the traffic police, SISSA members must prove that they have the necessary requisites by showing the badge;

- 2) a pedestrian crossing will be placed near street no. 265, above the vehicle/pedestrian entrance to the SISSA grounds (at the most visible point);
- 3) white lines to slow down the traffic will be painted on both lanes of the road to indicate the pedestrian crossing and vertical road signs will also be installed;
- 4) to improve the visibility of vehicles, a mirror will be placed in front of the entrance to the SISSA grounds;
- 5) the above changes will be carried out with the introduction of the prescribed new signs and the eventual removal of old ones;
- 6) the publication of the present ordinance on the municipal notice board for 15 consecutive days;

INFORMS THAT

- a) everyone is obliged to observe the new traffic regulations established by the present ordinance and the officials of the traffic police must ensure that they are respected;
- b) legal action will be taken against those who contravene the above regulations.
